

QUALIFICATIONS SUMMARY

Aspiring animation professional and recent graduate from Savannah College of Art and Design with a Bachelors Degree of Fine Art in Animation. Four years of experience learning and developing skills needed to build and create animation from concepts and storyboard. Well developed communication skill that are required to accomplish production on schedule as well as knowledge of multiple programs that are used to create animation such as Photoshop, Toonboom and many more. My animation skill mainly focus on that of 2D animation such as traditional hand drawn, digital hand drawn however I also capable rendering 3d animations as well.

I have experience producing animations from personal projects and class assignments as well as working along side student producer and student directors to develop animation adaptation of book and other student films. My skills consist of but do not excluded from having:

- Analytical and Organizational skills
 - Plan accordingly for projects and assignment to improve time management, what can be do verses what needs to be done
- Communication skills
 - Talk professionally with peers and superiors about tasks and projects to produce greater quality ideas, and schedules that will benefit everyone
- Graphic Design skills
 - Composing text and images together to present a well comprised piece
- Concept Artist
 - Brain storming with director to establish an idea or theme for the project
- Storyboard artist
 - Develop a cohesive story from concept with rough backgrounds and characters
- Background artist
 - Actualizing the idea of the environment for the scene and painting the tone of the setting
- 2d Character Animation,
 - Creating life and personality to a character through either performance action or dialogue
- 3d Environment/Object modeler,
 - Designing a 3d space and objects to which the character would interact with, thus making the character more relatable

PROFESSIONAL HIGHLIGHTS

Soda Jerk

July 2017

Leopold's Ice Cream. 212 E Broughton St,(Savannah/Georgia)

Serve guests in fast paced environment, preparing food: ice cream, drinks, and other assorted desserts made to order, cleaning and stocking bowls, cups and merchandise.

- All food, ice cream and drinks are made to order per customer, if a customer has a possible allergy I inform the customer that I will get their food or ice cream fresh from the kitchen with sanitized utensils so that their food has no chance of cross contamination.
- Each customer is catered to their individual need so that they may have a joyful experience.
- Utensils, cups, bowls and merchandise needed by customers and fellow employees are kept in stock at all times and inventory is kept on recorded.
